

Dear Upper School Parents,

For the 2018-2019 school year, in an effort to support the students and the student life activities that students, faculty and parents all enjoy and remember, Athens Academy is once again participating in our annual magazine and gift wrap fundraising event. We are also offering candy, jewelry and gifts this year. The purpose of now having more items than ever is to increase participation in order to provide the necessary funds that will allow us to continue to enjoy the many student life activities that we have throughout the year. **The goal for this years fundraiser is 100% participation!**

Magazine subscriptions are offered at very competitive prices so if you have time left on your present magazine subscription, do not hesitate to renew through this program. The renewal time will be added to your current date by the publisher. The school receives 40% profit on all magazines, gift wrap, and gift items. Please know that donations, of which the student council keeps 100%, are always appreciated. If this option is of interest to you, please make the check payable to Athens Academy and have your child give it to their advisor. The deadline for fundraising is October 6th, and there will be no extensions, so make sure to go ahead and donate as soon as possible!

Ordering slips are included in this packet if you choose but we are really encouraging you to order online this year! It will save you time and also save money and paper. **You just go to the website (<http://www.gaschoolstore.com>), select the item(s) you want to buy, proceed to checkout, select Athens Academy as the school to support, and then select US Division. Our code is 2532497. Or, you can scan the image on the back of this letter! There is also a place to put your child's name. All online orders will be shipped directly to your home and will be charged a shipping fee unless the value of the gift purchases is greater than \$59.**

This money will help fund all student life activities such as Prom and the Sadie Hawkins dance, Cookouts, homecoming activities, and all events put on by Student Council. It also allows us to do fun things such as individualized birthday candy, host the Valentine's Day assembly, and set up a school wide Easter egg hunt. By participating in the fundraiser, we do not have to sell tickets to individuals to be able to attend and participate in big events and dances. We appreciate any support you can lend to help fund student life; your donations go a long way to help Athens Academy's student life. Thank you, and remember, Go Spartans!

Sincerely,

Turner Trapnell
Student Body Vice President
